Ref. No.: DP-2017K21-1

**Subject: Announcement of 2<sup>nd</sup> ALC GOCO Contract awarded to Air Asia Company Ltd.**

To Whom It May Concern,

On behalf of Air Asia Company Ltd. (AACL), I am pleased to announce the 2<sup>nd</sup> ALC (Air Logistics Center) GOCO (Government Owned Contractor Operated) Contract of Taiwan Armed Forces has been confirmed to award to Air Asia Company Ltd., taking effect on Jan. 1<sup>st</sup>, 2018, and AACL shall be the sole contractor of the 2<sup>nd</sup> ALC GOCO Program.

In terms of this contract, AACL shall take the responsibilities and obligations of undertaking Phased Depot level Maintenance (PDM) and Overhaul for Taiwan Armed Forces fleet, including P-3C, E-2K, C130H, T-34C, S70C, 500MD. Moreover, AACL shall support repair/overhaul of the components and maintenance outsourcing, including but not limited to, the aforementioned fleets.

This contract has a five-year base period along with another five-year optional extension. AACL's workmanship has delivered outstanding performances under previous 2<sup>nd</sup> ALC GOCO Program. As a leading MRO in Asia Pacific region, our services of quality shall remain "as is" without alteration.

If you require any more information on this announcement or on the services we provide, you are more than welcome to contact with us anytime without any hesitation.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tien Lin Lu".
