## **2. Overall Compensation Reward Policy**

- (1) The Company has "Regulations for Year End Bonus", which provides employees with year-end bonuses based on the Company's overall profitability conditions and individual performance appraisal assistance. When the Company's overall operating performance reaches its annual target, there is a provision for issuing additional year-end bonuses. In addition, the "Collective Agreement" signed with the Labor Union stipulates that if the profit target for the year is achieved by more than 120%, non-executive employees below a certain grade will enjoy special performance-based salary increases in the following year, achieving the goal of creating a win-win situation and sharing profits.
- (2) According to the "Articles of Incorporation" regulations, if there is a profit in the year, 1% to 3% should be allocated as employee compensation and 1% as compensation for non-executive employees. However, if the Company still has accumulated losses, it should reserve the compensation amount in advance.
- (3) In order to enhance employee well-being, increase employees' attachment to the Company, and ensure employees' life after retirement. Starting from 2024, qualified colleagues can voluntarily participate in the shareholding trust committee. Employees will allocate a fixed self-withdrawal amount from their monthly salary, and the Company will allocate a fixed proportion of public allocation funds every month and jointly deposit them into the trust account for investment.
- (4) In order to encourage Departments and employees to exceed original performance targets to increase corporate profits, and to reward those who have made significant contributions to the Company, the Company has established an "Incentive Bonus Payment Method". KPI bonuses will be issued quarterly based on performance, and special achievements of individuals or units will be rewarded monthly based on different indicators.
- (5) In response to the trend of rising prices, in order to take care of employees' living expenses, the Company has increased food allowances in January 2024 and completed a comprehensive salary increase in August, thereby achieving a happy workplace where the Company can sustainably operate.
